UPDATE: Callaway County Route FF to close during daytime for railroad bridge removal

Weekday, daytime closures anticipated to last 30 days

JEFFERSON CITY, Mo. – Callaway County Route FF (Old U.S. Route 40) is now expected to reopen each evening during the removal of the railroad bridge. The roadway is anticipated to be closed Monday through Friday, 8 a.m. to 5 p.m., starting Oct. 14.

No detour will be signed during the weekday, daytime closures, but signs located well ahead of the closure will alert motorists to use an alternate route. Work is projected through mid-November.

All work is weather-permitting and schedules are subject to change.

MoDOT asks all motorists to work with us by buckling up, putting your phone down, obeying all traffic signs, and slowing down and moving over in work zones.

This work is part of the first project in MoDOT's Statewide Improve I-70 Program, Improve I-70: Columbia to Kingdom City, which will add a third lane of travel in each direction to the 20-mile stretch of I-70 between Columbia) and Kingdom City. This $405 million fixed-cost contract includes new pavement on all three lanes of I-70 and will also make interchange improvements to the I-70 interchanges at U.S. Route 63 and U.S. Route 54.

Missouri's FY2024 budget, approved through the state legislative process and governor provides, $2.8 billion in General Revenue to build a third lane of I-70 across the state. The program will plan, design, construct, reconstruct, rehabilitate, and add a third lane in each direction on nearly 200 miles of I-70, from Blue Springs to Wentzville. For more information on the Improve I-70 Program and to sign up for program e-mails, visit http://www.modot.org/improvei70.
